

Jesus Feeds the 5,000 Craft

(This Activity requires Adult Supervision)

Let's Create a mobile!: Find a clothes hanger that isn't being used. Ask your parent's permission first!

You Will Need:

- This Printout
- Coloured Pens/Pencils
- A Clothes Hanger
- String of Various Lengths
- Sticky Tape
- a Hole Punch/Pencil
- Scissors - (Ask your Parent/Guardian to help you with this!)

Cutouts Kindly drawn and provided by Nathan Sillett

To Make This Follow these steps:

1. Colour in your 5 Loaves and 2 Fishes.
2. Ask a Parent/Guardian to cut out your 5 Loaves and 2 Fishes
3. Get a spare Coat Hanger
4. Mark where you want to punch the hole at the top of the mobile.
5. Use a Hole Punch/Pencil to put a hole in the top of the loaves and Fish, Far in enough from the edge to be able to put a string through the top.
6. Ask a Parent/Guardian to cut 7 lengths of string
7. Thread 1 piece of string through each item. 1 through each loaf and 1 through each fish.
8. Ask a Parent/Guardian to help you tie a knot at the end of the string where your item is. To stop it coming out you can put a small square of tape at the end of the string where the knot is. This can also prevent string fraying.
9. Tie each item onto your mobile. Ask a Parent/Guardian to help you.
10. Enjoy your mobile.
